

CERTIFICATE OF PURITY

Pure Cow Ghee

tested, not promised.

Every batch of Brve ghee is sent to an independent food laboratory.
Here is exactly what they found - in plain numbers, nothing hidden.

**99.84%****PURE MILK FAT**

Almost the entire jar is genuine dairy fat. Standard asks for at least 99.5%.

0.16%**MOISTURE ONLY**

Barely a trace of water - no dilution and a long natural shelf life.

0**ADULTERANTS**

No vanaspati, no vegetable oil and no synthetic colour found.

SCREENED & CLEARED

Vanaspati / Dalda
NOT DETECTED

Vegetable Oil Fat
NOT DETECTED

Synthetic Colour
NOT DETECTED

Added Water
JUST 0.16%

Purity you can verify - not just trust.

Each figure above comes straight from an independent food-laboratory analysis of Brve Pure Cow Ghee, measured against FSSAI quality standards for cow ghee.

**Brve**

Pure. Tested. Honest ghee.

THE FULL PICTURE

Complete Purity Panel

Every parameter measured, what it means, and how Brve compares to the required standard.

PARAMETER	STANDARD	BRVE RESULT	STATUS
Pure Milk Fat How much of the jar is real dairy fat	at least 99.5%	99.84%	✓ PASS
Moisture Water content - lower means no dilution	up to 0.5%	0.16%	✓ PASS
Free Fatty Acid Freshness marker - lower is fresher	up to 3.0%	0.70%	✓ PASS
Appearance Colour & texture of the fat	Natural ghee	Semi-liquid golden	✓ PASS
Authenticity Index Butyro-refractometer reading - confirms real ghee	40.0 to 44.0	42.0	✓ PASS
Genuine-Dairy Value Reichert-Meissl - fingerprint of true milk fat	at least 24.0	27.22	✓ PASS
Vanaspati / Dalda Test for hydrogenated-fat adulteration	Must be absent	Not detected	✓ PASS
Vegetable Fat Test for cheaper plant-oil blending	Must be absent	Not detected	✓ PASS
Added Synthetic Colour Test for artificial colouring agents	Must be absent	Not detected	✓ PASS

Composition: 99.84% pure milk fat - 0.16% natural moisture - 0.00% fillers, blends or colour.

Results shown reflect independent laboratory testing of Brve Pure Cow Ghee against applicable FSSAI standards for cow ghee.
Values are presented for product-quality information only. Natural ghee can vary slightly from batch to batch.
